

Clubs at Westhill Primary

We have lots of clubs at Westhill Primary and we thought you might want to hear about what we have been doing recently. Our clubs generally meet weekly, but the details are on our display in the lunch hall.

Inclusion Club

Our vision in Inclusion Club is to ensure we are representing all members of our school and community. We have been working hard discussing the nationalities and languages spoken here at Westhill Primary School. We have been discussing flags from around the world, talking about what inclusion means and learning some phrases from different languages spoken around our school.

Inclusion club have been invited by Mrs Burns to welcome our weekly assembly in some of the languages spoken in our school! We have heard Polish, Igbo, Doric, Chinese, Tamil, Irish, Arabic, English, Thai, Lithuanian and Pilipino. Very impressive! We have also made a beautiful display for our school which is for everyone to see in our lunch hall.

We have a P1-4 and a P5-7 inclusion club which both meet every Tuesday lunchtime.

Our School Choir

This term we are singing 'Mean' and 'You Need to Calm Down' by Taylor Swift and 'For a Moment' from the Wonka movie. We have around 50 choir members and there are often opportunities to audition for solos. Or, if you have some great dance ideas, we'd love you to come along and plan some choreography for us! We meet every Wednesday lunchtime.

Chess Club

We enjoy getting together on a Wednesday lunch time to play chess with our friends. The club is open to P6 and P7 pupils.

Lego Club

Our Lego Club meets every Monday lunchtime in the gym hall.

Rotakids

Our Rota Kids are, Imogen, Nicha, Layla, Alexia, Cassie, Isla, Iona, Emily, Meina, Tarah, Kirsty, Cerys, Marnie, Louise, Brooke, Callan, Adham, Hollie.

Our Office Bearers are, Nicha- President, Imogen- Secretary, Emily- Treasurer but all our Rota Kids are part of the group because they want to have a positive impact on our school community and the wider community in Westhill. They are also involved with charity work to help international charities supported by The Rotary. We meet most Friday lunchtimes.

Outdoor Learning

Although this is not really a club, as all of the P7 pupils are involved on a fortnightly basis during class times, it is interesting to include here as it has an impact on the whole school. Pupils take part in activities to learn about the natural environment and improve our school grounds for both pupils and wildlife. Recently they have installed a new bird table, made bird cakes, planted around

100 small trees to make a hedge up the side of the school pitch (with the help of P4A), litter picked, pruned the bushes and installed our lovely new bird table (thank you to Miss Garden's Dad!)

Art Club

Ella in P6 and a few of her friends have started an Art club for P5,6 pupils which meets every Monday lunchtime in the Gym hall.

Netball

Our P7 pupils meet for Netball Club on Tuesday lunchtimes and our P4-6 pupils meeting on Tuesday nights, 6-7pm. They have all been working hard to improve their skills and competing brilliantly in lots of tournaments.

EcoClub

The eco-committee are currently rehearsing a short play around the message of taking care of our planet. We have also been learning two songs. Both the play and the songs have been written by one of our members and we are looking forward to sharing these with the rest of the school in a few weeks' time. With Spring here now, we are also hoping to get out and about more during our final term!

GD Club

Some of the P4s have set up the GD club. This is a club teaching gymnastics and dance on Friday lunchtimes. The P4's felt that P3 didn't have any clubs so wanted to fill the gap. When P3 come along they learn different moves and have been of group dances.

String Group

Our String Group meets every Thursday with Mrs Alnasser. We choose fun warm-ups and are starting to play different parts (1st and 2nd violins). We are also known to dance along to our tunes and take inspiration from other musicians (including Mickey Mouse!)
